

The Business Team here at Langley College, we are very much looking forward to welcoming you in September 2024.

We are excited to deliver your Study Programme which will give you an insight into the world of Business and Commerce. Your programme will also include a range of Guest Speakers from a number of industries as well as trips. Whilst we endeavour to minimise the cost of trips, there may be times when a contribution will be asked for. Trips and visits are an integral part of the course and are therefore mandatory.
